## JAMES SHOULDICE ADDRESSES ELECTORS

Assisted by Mr. Patterson

### Has a Good Attendance and Hearing

The Conservative meeting held Saturday night in the Foresters' Hall was well attended. President Dafos occupied the chair and after briefly explaining the objects of the meeting introduced Mr. Jas. Shouldice, the Conservative candidate for the Gleichen constituency.

On rising Mr. Shouldice said he was glad to have the privilege of addressing so large an audience in Gleichen, and was much pleased to see so many ladies present.

He said he had not solicited the honor of contesting this riding in the interests of the Conservatives, but that he had considered it to their interests to have a candidate in the field and had selected him by a unanimous vote at their convention and he intended to do his level best to carry out the wishes of that convention.

He was not here to find fault other than that he desired to draw attention to the fact that the Government had neglected many things that were of importance to the people of this province.

He was of the opinion the Legislature should have stood up for Alberta's rights in public domain. He said our lands had been withheld from us by the Dominion Government which he considered a great injustice, and the Conservative party would continue to demand the surrender of our public lands, timber, mines and fisheries were worth many millions. The speaker spent considerable time comparing Alberta's position with Nova Scotia and British Columbia.

Mr. Shouldice then berated the Rutherford Government for springing an election on such short notice, and said he thought it unfair and his party were in favor of having a fixed date for all elections. He was much perturbed that he could not obtain a financial statement of the cost of the bridges, roads, public works, etc., and thought the government should supply the electors such statements at election time.

As an instance of this injustice he would like to know how much the bridge across the Bow river cost. He had been told it was \$30,000, \$75,000 and \$125,000, but he did not know which sum was correct. In Ontario he had been a county councillor when he had much to do with such work and found it paid to let such work by contract, and was of the opinion all government work should be done by contract. He had heard this bridge cost \$15,000 to \$20,000 more than it should have, which would have left ample money to grade the road on the south side, which he thought was a disgrace and very dangerous. However, he was pleased to see the bridge built as he himself owned a section of land just across from the bridge.

Speaking of contract work he said a man who worked on a bridge at Calgary told him that the government paid him wages when the weather would not allow of outside work, which a con-

tractor would not do.

Mr. Shouldice argued if he was right, the electors should support right.

Mr. Shouldice said some weeks ago he read in The Call an article commending Mr. Riley for taking a stand against the Government and opposing the Knee Hill road.

He then read from The Call the statement attributed to Mr. Riley last week which Mr. Shouldice said he could not understand. He, however, thought it did not take so very much independence to oppose a government when a man knew it would amount to nothing as that government would easily over-ride his little opposition. It was only a political statement of Mr. Riley's to make capital for himself. But he could not understand Mr. Riley's statement as published in The Call, yet he had no quarrel with Mr. Riley and he remarked: "There are lots of good men as Mr. Riley or me—and then that's not saying very much."

Mr. Shouldice noted Mr. Riley had promised Gleichen a court house and a telephone system. With the telephone the speaker had plenty of fun and objected to it on many grounds, among them being that the ladies would be called to the phones every few minutes and have little time to do their house work and might even be invited out to parties. He believed it would cost the farmers \$35 a year, but was not sure, and after asking the audience considered it would cost the farmers \$35.

He said the Rutherford government were borrowing \$200,000 to be spent on the telephone system, but he thought they should spend it on roads and bridges.

He believed there were more good sober and intelligent women than men and they would bring the men to voting the right way before election day.

As to the Agricultural College he had been told by some one who had it on good authority that it was going to Lacombe, but he was not sure, he had only been told so.

Mr. Shouldice then dealt with the Conservative platform for sometime, and outside of the generalities may be mentioned that he claimed some voters would have to travel 35 miles to vote at Crowfoot; which he said was practically disfranchising these voters.

Mr. Shouldice then concluded by saying he had eleven years experience as county councillor in Brudenbury County, Ontario, and if the electors saw fit to return him he would do his best for this constituency and the entire province.

Mr. Patterson of Calgary was then called upon and spoke for some time, criticizing the government and upholding the Conservative and party. He is a young man, who gives promise of becoming a good speaker, this being his second political speech.

The meeting concluded by the chairman putting a vote of thanks for Mr. Shouldice and Mr. Patterson, which compliment they returned the chairman.

## DAW VS. REID BOXING CONTEST

Of 15 Rounds in Foresters' Hall

Friday Eve., March 26th

Larkin vs. Smith 6 Rounds and Four Local Artists Will Box

Gleichen is fast becoming quite a sporting centre, and the first of a series of boxing contests has been arranged for Friday night, March 26, in the Foresters' hall.

The chief event of the evening will be a fifteen round contest between Alf Daw and Billy Reid of Calgary, and the favorite here is the local man. Daw is about 10 pounds heavier than Reid at present and it took a great deal of persuasion to get Reid to meet him, but it is believed a good strong contest will be put up.

The next chief feature of the evening will be six rounds between J. Larkin and Clar. Smith, both of Calgary, of whom it is said the contestants are well matched and will put up a good exhibition.

Then four local boys have agreed to box two three-minute rounds, and these artists for the present prefer to go unnamed.

Queensbury rules will be followed and Geo. Wakefield has agreed to act as referee. Chas. A. Millie as time keeper and J. T. Johnston as general.

The ring will be formed between the two posts in the hall and raised benches will be placed all around the hall for spectators. The price of admission will be \$1.50 for the ring-side and general admission \$1.00.

The series of contests are being promoted under the auspices of the Gleichen Sporting Club.

It is stated about forty of Calgary's leading sports will come down for that night and a big crowd is assured from all parts of this district.

The records of Daw and Reid will be found on page three of this issue.

## Formed Gymnasium Club

Monday evening a largely attended meeting was held in the reading room of the Bank of Commerce, with T. P. Fisher in the chair, when the Gleichen Gymnasium Club was duly formed, and the following officers were chosen:

Honorary President E. H. Riley.  
President, A. D. Shore, Vice-Pres. W. R. McKie, Secretary J. E. Kilcup, Treasurer C. W. Rennie, Directors, Rev. T. Castle, W. P. Evans, W. H. James, Arthur Daw, D. Gillespie, C. J. Bray, J. A. Beaupre, F. K. McKay, A. J. Yates, G. Wakefield, T. H. Beach, H. R. Cory, C. A. Millie and D. C. Wishart.

Alf. Daw was unanimously chosen instructor, who immediately gave instructions to members prohibiting the use of liquor or tobacco in the hall and arranged for a full set of rules to be issued.

The chairman explained the Foresters' hall had been obtained for the club at a rent amounting to \$8 per month and the initial cost of paraphernalia would be about \$200, which could be added to as afterwards desired, and the treasurer already had about \$50 on hand from the concert.

It was determined the membership fee would be \$2 and \$1 for boys under 18 years, and it was stated another charge of 25 cents per month would probably be necessary to meet expenses.

Messrs. Alf. Daw, H. McKie and J. A. McDonald were appointed a committee to select paraphernalia for the club.

On motion the ladies were allowed to

have use of the hall one night each week at a cost of 25 cents each per month.

About 80 members enlisted at the meeting and much enthusiasm was displayed.

## Oddfellows Organize Prairie Lodge No. 44

On Wednesday of last week Grand Master J. H. Mitchell, with the D. D. G. Master and several other officials of the I. O. O. F. arrived from Calgary and during the afternoon instituted in Gleichen, Prairie Lodge No. 44 of the I. O. O. F., after which the officials and a number of visiting brothers from Langdon repaired to the Peoples' Cafe, where a splendid dinner was served.

In the evening the meeting was called to order in the Masonic hall when fourteen candidates were initiated into the mysteries of the order and all the degrees were conferred upon them. After the initiation a luncheon was served and then the installation of officers was taken up with the following result:

P. G., W. Darstou.

The initiating team carried out their work in a most efficient manner and the older members and recruits are most enthusiastic over the prospects of the new lodge.

## Gleichen Athletic Club

The third annual meeting of the Gleichen Athletic Club was an enthusiastic one in the Bank Tuesday evening and well attended, promising an active interest for the season of 1909.

The officers selected are: U. A. Millie, president, Sergt. McLeod vice president, H. McKie treasurer.

P. Arlet was chosen captain of the baseball team, with B. McKie and J. A. McDonald to assist in organizing. It was agreed that he should obtain a list of the furnishings required and present it at the next meeting.

E. Wagstaff was elected captain of the football team, and T. P. Fisher captain of the rugby, with Dr. Hughes to assist him. Fergl. McLeod is in charge of the tennis, while J. T. Johnston will look after the cricket interests.

The membership fee is placed at \$3 and \$1.50 for boys under 18 years. It was stated that most of the teams had a fair quantity of supplies on hand and the additions needed would not amount to a great deal. It was also pointed out that with the large number of young men who have come to town lately there is plenty of excellent material to keep up a lively interest in the different sports.

# Pleasant Ridge News

(From our own Correspondent.)  
(Crowded out of last issue)

A. Godkin is getting in readiness to  
blacken the prairie "some more" this  
spring.

T. Scott recently lost a valuable work  
horse, which succumbed to an attack of  
lung fever.

The ice on the Bow river threatens to  
go out almost any day. At the Mission  
passage of the river reaches the propor-  
tions of fording.

Hugh Robinson killed a timber wolf  
on his ranch last week.

Martin O'Connor spent Sunday on the  
Ridge, returning to the Circle that even-  
ing.

P. Reehang has been doing a great  
deal of buggy driving lately. At the  
masquerade he appeared as Mr. Blue-  
beard.

Jack Bushel is going into the bronco  
busting business. He has done some  
very creditable performances in that  
line lately.

E. H. Smallcombe was not out to the  
dance Friday night, the first one they  
say he has missed this winter. His  
time has been occupied lately in nursing  
a horse, which has a bad attack of lung  
fever.

During the absence of his wife, N.  
Munkholm is leading the life of a lonely  
bachelor. Last week he hauled some  
seed wheat down to the Bar U and Nes-  
bit ranches.

George Graves is busy hauling farm-  
ing machinery from town.

The O'Leary boys brought out three  
thousand feet of lumber in one load  
Friday. Crossing the Bow river in its  
present condition with such a load pos-  
sesses a considerable element of risk.

The Long outfit went west Monday  
for a load of poles for a corral.

George Klemke is getting in readiness  
to break up fifty acres on his ranch this  
spring. The crop of flax he intends  
raising is to break the record. Early  
this week he made a trip to town. He  
and his buggy seems to be in great de-  
mand these days.

C. E. Dalton returned to Calgary  
Friday.

Ben Hagen plans to leave shortly for  
a couple of weeks stay at Claresholm.

The Clemens brothers are billed to re-  
turn next week.

Garnet Halls and Frank Dolland are  
digging a well on the ranch of the for-  
mer. Since the days have lengthened  
out, they have discontinued their night  
shifts.

Miss Mary Williams is now conva-  
lescing after her recent illness.

E. B. Kent is building a house. It  
was his intention to erect a reinforced  
concrete structure, but owing to some  
unforeseen difficulties arising, he is  
contenting himself with a frame dwelling.

# Organize Strathmore Football Club

A meeting was held in Strathmore on  
the 10th inst. for the purpose of organ-  
izing the Strathmore Football Club for  
the season of 1909. Mr. Wm. Ferguson  
took the chair, when the following offi-  
cers were elected:

President Geo. H. Lloyd, Vice-Pres.  
Robt. McCann, Captain Wm. Downie,  
Vice-Captain Geo. H. Hill, Secretary  
W. S. Bush, Treasurer Ch. Charlton, Ex-  
ecutive Committee Messrs. Ferguson,  
Moore and Owen.

It was resolved that the colors would  
be white with a red badge bearing the  
letters S.F.C. With the selection of  
such efficient officers and the material  
on hand everyone is confident of a very  
successful season.

Settlers effects are now arriving in  
Gleichen at the rate of a carload a day.  
What will it be when the rush sets in.

# Objects to Masquerade Report

Editor The Call:

Sir,—I notice that your correspondent  
of the Pleasant Ridge district sent you a  
very vivid description of the masquer-  
ade dance at Quentown last week and  
that the only way he can describe it is  
that it ended like some others they  
have had this winter. I think he must  
have been seeing things himself. I my-  
self have been to all the gatherings they  
have had this winter and I must certain-  
ly have not seen a rowdy dance all winter  
with the exception of this one and I  
think it is doing the people of Queens-  
town a great injustice to report them as  
such, as I think on the whole they have  
conducted themselves in a very gentle-  
manly manner all winter.

Yours truly,  
One Who Was There.

## DAW AND READ'S PAST RECORDS

All Daw is too well known around  
 Gleichen to need any introduction, al-  
 though few, perhaps, are aware of the  
 record he had previous to the time he  
 came to Gleichen, and, therefore, the  
 following will be read with interest by  
 his numerous admirers.

Won amateur competition at Cleck-  
 heaton, Yorkshire, March 1896, knock-  
 ing out D. Wheldon in two rounds and

In the summer of 1897 went on a tour  
 through the north of England meeting

 been defeated. He came to Canada in  
 1902 since then he has taken part in in-

## TOWN AND DISTRICT

Monday is election day.  
Jim Dillon arrived in town Tuesday  
and is as poetic as ever.

Mr. and Mrs. Beaupre spent most of  
last week in Calgary.

So far the election fight in this riding  
has not been very fierce.

Mr. and Mrs. D. C. Wishart spent  
several days in Calgary last week.

Master Douglas James returned Tues-  
day from a three-weeks' visit in Calgary.

It is probable two more political meet-  
ings will be held in town before election  
day.

Several hundred subscriptions are  
now due The Call as we start on our  
third year next week.

For about the first time in history our  
merchants are now shipping eggs out of  
town in large quantities.

Messrs. E. H. Riley and Jas. Shouldice  
were officially nominated Monday to  
contest this riding for the Legislature.

Now is the time to place your order  
for Farming for treating grain. 50c

Mrs. H. Harrison returned a week  
ago from Collingwood, Ont., and went  
to Calgary on a visit Monday.

Miss C. McArthur returned from the  
Calgary hospital Saturday, and her  
friends are glad to see her about again.

A. D. Shore and S. Dufos have re-  
turned from attending the short course  
in agriculture at Lacombe, which they  
report most beneficial for themselves.

Mr. J. Allen arrived from Butte, Mont.  
last week and is purchasing several  
sections of land in the famous Queens-  
town district. Four other of his friends  
from Montana arrived Monday and are  
now looking over the land in the same  
vicinity.

J. D. Barber, wife and family moved  
to Langdon last week, where he and his  
partner, Mr. Perrault, have purchased  
another livery stable. They have  
many friends here who regret their de-  
parture and wish them every success in  
their new enterprise.

For the convenience of their clients in  
and surrounding Gleichen, Messrs  
Short, Ross & Selwood, barristers, of  
Calgary, have opened a branch of their  
law office at Gleichen, where one mem-  
ber of their firm can be consulted on

In connection with the Laymen's Mi-  
sionary movement the three local  
churches and Ladies A. S. have united in  
giving a banquet in the Foresters' Hall  
tomorrow—Friday—evening at 7:30, at  
which after dinner speeches will be made  
by Dr. Scott and Messrs. Geddes and  
Humphry, all of Calgary. Invitations  
are extended to all the men in this dis-  
trict interested in the movement.

Dr. Rivers, the Liberal candidate for  
Lethbridge district, in which Queens-  
town is situated, addressed the citizens  
at the Queenstown school house Mon-  
day evening and had a very large  
attendance. After discussing the politi-  
cal issues in favor of the Rutherford  
government the doctor gave a brief talk  
on "dry farming" on which it is said he  
proved quite an expert. He is opposed  
in that riding by A. McLean who is  
running as an independent.

As there has been considerable dis-  
cussion about town of late concerning  
the payment of fire insurance The Call  
has secured the following statement from  
a general agent of one of the companies  
doing business in Gleichen: "In reply  
to your enquiry I may say that if you  
carried insurance to two-thirds of the  
value of your stock, and a loss occurred  
amounting to two-thirds or less you  
would not have to stand any of the loss.  
If the loss was over two-thirds you would  
have to stand the amount of such loss  
over the two-thirds."
